BOOK

CLEANNE

CRYSTALCLEAN

The background of the image is a vibrant landscape. In the foreground, a calm blue lake reflects the sky and the surrounding greenery. Several small, lush green islands with clusters of trees are scattered across the water. In the distance, a range of mountains is visible under a bright sky with a prominent sun flare in the upper right corner, creating a hazy, atmospheric effect. The overall color palette is dominated by blues, greens, and bright whites/yellows from the sunlight.

The green REVOLUTION

What is CLEANNE?

CLEANNE is a versatile range of chemical-free cleaning products that **contain only plant ingredients**. Our cleaning agents consist of natural extracts and water, and as such, they represent nature itself.

Our mission

Our aim is to produce the very best family of cleaning products. We absolutely want to prove that it is possible to achieve better cleaning efficiency in a human- and environmentally friendly manner at no additional cost. We strive to earn the reputation that CLEANNE really is the most effective natural cleaning solution, one that actively contributes to a better future for our children.

How does CLEANNE work?

CLEANNE products are chemical-free and do not foam, neither do they contain any additives to enable homogeneity. For this reason, they have to be shaken well before each use. In return, however, they provide superior cleaning efficiency. All CLEANNE products, along with the targeted impurities, biodegrade in a very short space of time. This process results in the formation of carbon dioxide and water.

In order to effectively target persistent dirt, the cleaning solution must be left on the surface for a prolonged period of time.

Empirical evidence shows that cleaning with CLEANNE gives better and longer lasting results without the use of aggressive chemicals. In practical terms, this means that there is no need to use any safety equipment and we can say goodbye to strong scents and chemical evaporation. The results, at the same time, exceed all expectations.

Because of the active plant ingredients, our products are temperature-sensitive and must be kept above +5 degrees Celsius. Maximum efficiency is, however, achieved at a temperature between 40-60 degrees Celsius.

Interesting fact: If a surface previously treated with CLEANNE becomes wet in a few days, the cleaning solution will immediately reactivate itself and start cleaning the surface until full biodegradation is achieved.

Test results

The CLEANNE formula has undergone various different tests. Wessling laboratory results prove that CLEANNE defeats bacteria, such as staphylococcus and e-coli, as well as fungi, such as black mould.

What do **CLEANNE** products have in common?

- Plant-based ingredients
- No irritative compounds
- Non-hazardous formula
- Spotless drying
- Biodegradable formula
- Human- and environmentally friendly ingredients

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

BABY-MOM

PRODUCTS

CLEANNE Baby-Mom Washing-up Liquid

When Things Really Do Matter

Small child in the household? In that case, there certainly must also be 10-15 sets of cups and dishes, featuring superheroes, princes and princesses. With time, these materials are more and more difficult to clean and become an enjoyable item not only for children, but also for bacteria. We are serious when we say: it does really matter, what product you use to wash your dishes! With CLEANNE Baby-Mom Washing-up Liquid, you can easily clean and disinfect your children's cups, glasses, plates and cutlery without sacrificing their safety. Oh, and have we mentioned the feeding-bottles yet...?

CLEANNE Baby-Mom Washing-up Liquid can be used to clean dummies, milk containers, bathroom toys and highchairs. Our product does not contain foaming agents.

Instructions for use

Use Baby-Mom Washing-up Liquid to clean your child's plates, feeding-bottle and toys in the usual way. Once finished, you do not have to worry about harmful chemical residue polluting your child's health. We recommend the use of organic coconut sponge that prompts the liquid to foam naturally.

CLEANNE All-Purpose Surface Cleaner

Cleaning Together is Always Enjoyable!

Moms are famous for having 4 hands and at least 48 hours a day. It is often a battle to decide: which urgent task should I complete instead of sleeping? CLEANNE All-Purpose Surface Cleaner does not force you to sacrifice your precious time. Thanks to its natural plant-based ingredients, you can now playfully involve your young ones in household duties. At the beginning, young children put everything into their mouths. Therefore, it only makes sense to use products that do not put their health at risk!

CLEANNE All-Purpose Surface Cleaner can be used on any surface that water does not damage. Developed for families with young children. Suitable for the cleaning of furniture as well.

Instructions for use

Shake well before use. Spray onto the target area. Wipe dry with a cotton or microfiber cloth. Does not require rinsing.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Baby-Mom Toy Cleaner

Discover The World Safe And Sound!

Below a certain age (and if you pay close attention, even above a certain age), our children's biggest source of joy is licking the windows and mirrors, tasting toys and the fingers of their siblings...and the list goes on! Although the usual "wash your hands when you get home" routine is a well-established part of our everyday lives, for some reason we never think about wiping and cleaning our children's favourite toys, the surfaces of which could cater for a few uninvited guests. We stand for the little explorers and so we have developed CLEANNE Baby-Mom Toy Cleaner that safely removes all harmful uninvited guests from our children's toys.

Specifically developed to clean children's toys. Suitable for various materials including wood, plastic, metal and plush. Test the product on a small area before cleaning plush toys.

Instructions for use

Shake well before use. Spray onto the toy and leave to work for 5 minutes. Wipe or leave toy to dry. In order to remove persistent stains, wet the surface, apply Cleanne Baby-Mom Toy Cleaner and leave to work for a few minutes. Rinse well.

CLEANNE Baby-Mom Toy Cleaner contains only natural ingredients, therefore it is safe to use around children. The formula does not damage your children's health, even if they accidentally put it into their mouths. Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Bath Cleaner

Carefree Activities Before Bedtime

The biggest joy as our children grow is without a doubt their precious bath time in the evening. In other words, the time our bathroom turns into the wildest of oceans, where the only thing offering us peace and rest is the edge of the bath tub. We need to, therefore, make sure that the tub is clean and the cleaning agent we use does not put our children's health at risk. With CLEANNE Bath Cleaner, you can rest assured that your children are in safe hands! In addition, it is so easy to use, you do not have to take much of your time away from your children. Simply spray onto the surface and rinse after a few minutes. Job done!

CLEANNE Bath Cleaner is an easy-to-use formula that leaves behind a perfectly clean and safe environment for your children.

Instructions for use

Spray onto the surface and leave to work for several minutes. Rinse well. Use a sponge to remove persistent dirt.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Floor Cleaner

Adventures Below One Meter

You become a mother the moment you get pregnant, but once your baby starts crawling, you will realize that exploring is not always safe (oh, those nostalgic moments...!). Stop the endless worries and use CLEANNE Floor Cleaner, which provides a safe environment for your children to discover. The formula is free of chemicals and does not leave harmful residue behind, therefore, at the very least, you do not have to worry about your children's health whilst they discover.

CLEANNE Floor Cleaner can be used to clean any surface that water does not harm. Specifically developed for families with young children.

Instructions for use

Shake well before use. Put 20-30ml formula into 5L water and wipe the floors. Cleans without scratching the surface.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

A bright, colorful nursery room. In the foreground, a large, yellow, knitted pouf sits on a white floor. To the left, a white crib with colorful hanging toys is visible. In the background, a white dresser with three drawers and black knobs stands next to a red curtain. A large, yellow, brushstroke-like graphic overlay covers the center of the image, containing the text. The room is decorated with various colorful items, including a red stuffed animal on a wooden shelf and a potted plant on the dresser.

**Do not harm your family's health.
Use only hypoallergenic products in and
around your home.**

HOUSEHOLD PRODUCTS

CLEANNE Spotless Washing Up Liquid

Naturally clean dishes

Living and eating clean but never realized that harsh chemicals enter your body regardless? Most people use products that contain surface active agents to clean pots, pans and glasses. These agents consist of several different harmful compounds that pollute both our health and the environment. It takes a lot of time and water to thoroughly rinse our dishes and the remaining residue can poison our bodies. Most commercial products irritate and dry the human skin.

CLEANNE Spotless Washing Up Liquid thoroughly cleans pots, pans and dishes without any harmful side-effects. Using its powerful plant-based formula, it leaves your dishes spotless with no effort. Old glassware once again becomes sparkly, whilst the skin on our hands does not suffer the consequences.

CLEANNE Spotless Washing Up Liquid does not contain harmful foaming agents. We recommend the use of organic coconut sponge that prompts the liquid to foam naturally.

Instructions for use

Use CLEANNE Spotless Washing Up Liquid the same way you use any other washing up liquid. To combat greasy dishes, use CLEANNE Degreaser along with the washing up liquid. Dishes dry without any water spots.

CLEANNE Universal Surface Cleaner

The real scent of Cleanliness

Most people dislike cleaning. We wipe and dust our objects, remove stains and dirt...this everyday cleaning routine is best accompanied by CLEANNE Universal Surface Cleaner, a fragrance-free cleaning solution that contains only plant ingredients. It is an easy-to-use cleaning product that gives outstanding results without much effort. CLEANNE Universal Surface Cleaner is suitable for most rooms. Just think of the kitchen, the countertop we use all the time, the tables and chairs, and everyone's worst nightmare, the fridge. Thanks to CLEANNE, there is no need to invest much effort into cleaning these items anymore. CLEANNE Universal Surface Cleaner is easy and enjoyable to use.

CLEANNE Universal Surface Cleaner can be used on any surface that water does not harm, including wood, metal or plastic. Even old stains disappear using CLEANNE. As well as the above mentioned areas, we also recommend CLEANNE Universal Surface Cleaner for the cleaning of doors and door frames.

Instructions for use

Shake well before use! In order to remove persistent dirt, spray CLEANNE Universal Surface Cleaner directly onto the surface and leave to work for several minutes. Wipe clean with a cotton cloth or paper kitchen towel.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Spotless Window Cleaner

A Brand New Outlook onto The World!

Everyone has at least one family member, who immediately spots window stains. On top of everything, children actively challenge us: sticky handprints, dirty balls, not to mention that special friend who always smiles back at them in the mirror...a hug is always a must!

These stains do reappear in a while, but we are putting a stop to endless cleaning: window cleaning with CLEANNE Spotless Window Cleaner is no longer an overwhelming task. That eye-watering smell of alcohol is gone forever as the formula leaves only the scent of fresh cleanliness behind.

CLEANNE Spotless Window Cleaner contains no alcohol but removes even the most persistent window stains with ease. According to customer feedback, the windows remain clean for a longer period of time after using CLEANNE.

Instructions for use

Shake well before use! In order to remove persistent dirt, wet the surface with warm water, spray CLEANNE Spotless Window Cleaner directly onto it and leave to work for several minutes. Wipe clean with a cotton cloth or window cleaner.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Degreaser

No gloves, No Nonsense!

For most of us, it's a nightmare to get started with the oven or other greasy items: find the rubber gloves, sort out proper ventilation, remove pets and children from the room...and on top of everything, these stains are normally impossible to completely remove. We have put a stop to this!

Cleaning hobs, ovens and extractor hoods has never been so easy: the use of safety equipment is no longer needed. How come? The answer is simple. CLEANNE contains absolutely no harsh chemicals, only plant-based ingredients. This also means a cleaning experience free from breath-taking chemical smells that irritate the skin as well as the mucous membrane. This brand new cleaning experience is now available for everybody.

CLEANNE Degreaser is ideal for the cleaning of hobs, ovens and extractor hoods. It also helps remove persistent greasy stains from pans and dishes. In order to remove burned-on food, use CLEANNE Spotless Washing Up Liquid first. This will dissolve the grip of burned-on dirt.

Instructions for use

Shake well before use! In order to remove persistent dirt, wet the surface with warm water, spray CLEANNE Degreaser directly onto it and leave to work for several minutes. Wipe clean with a cotton cloth or paper kitchen towel. Repeat the process to remove persistent stains.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Carpet & Upholstery Cleaner

Goodbye, persistent stains!

Loving your sofa, but you have to cover old stains with cushions? Your favourite chair is no longer presentable without reupholstering? Your rug has so many stains, it no longer makes sense to take off your shoes in the living room? Forget chemical cleaning. CLEANNE Carpet & Upholstery Cleaner effectively combats even the most persistent carpet and upholstery stains. It does not irritate the mucous membrane or the skin, neither does it leave chemical residue behind. Use Cleanne Carpet & Upholstery Cleaner, a child- and pet-friendly formula to brighten up your home with those long forgotten colours!

Instructions for use

Shake well, slightly wet the surface of the target area and apply CLEANNE Carpet & Upholstery Cleaner. Wipe clean using a microfiber cloth. Leave to dry. Stains will disappear once the surface is completely dry. Repeat the process to remove persistent stains.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Universal Floor Cleaner

The joy of naturally clean floors

Have fun in your naturally clean home! Floors can quickly get incredibly dirty but also possess the ability to give an instant impression of overall cleanliness. CLEANNE Universal Floor Cleaner is suitable for stone, tiles, wood as well as laminate flooring. You will notice the outstanding results even after the first use. CLEANNE Universal Floor Cleaner leaves perfect cleanliness behind, without the use of harsh chemicals. A child- and pet-friendly formula, it brings back the original colour of various surfaces when used regularly. Hint: You do not have to sacrifice your favourite scent if you put a few drops of 100% essential oil into the bucket.

CLEANNE Universal Floor Cleaner is suitable for all surfaces that water does not damage. It was designed to be universal, therefore it is ideal for use on a broad range of surfaces.

Instructions for use

Shake well, mix a portion with water and clean the floors as normal. The required quantity depends on how dirty the floor is. To remove usual everyday dirt, use only one cap of formula and mix it well with water.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Toilet Cleaner Oil

Presenting the Unique Scent of Acacia

Our new-old favourite, CLEANNE Toilet Cleaner Oil redefines your home's smallest room with the sublime scent of acacia. The regular use of CLEANNE Toilet Cleaner Oil puts an end to endless worries: it can prevent the reoccurrence of bladder-stones on ceramic surfaces. It is an easy-to-use product that requires absolutely no extra effort before you can say goodbye to the nasty residue. Use CLEANNE Toilet Cleaner Oil every day so that you can enjoy the refreshing cleanliness even during the week.

CLEANNE Toilet Cleaner Oil can be applied each time the toilet is used. Flush and then spray the oil directly into the toilet and just under the rim. There is no need to rinse or flush the formula. To remove persistent residue, you can also apply CLEANNE Limescale Remover. Use these two products separately and flush thoroughly before the other one is applied.

Instructions for use

Shake well and spray directly into the toilet, once it is flushed. CLEANNE Toilet Cleaner Oil requires no rinsing or flushing and keeps your toilet naturally clean and fragrant.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Limescale Remover

The combatant Against Persistent Build-up

Limescale is every housewife's number one enemy. It may build up in the toilet, on glass or any other surface in the kitchen and bathroom areas. CLEANNE Limescale Remover is a powerful solution even against persistent limescale build-up, according to a vast amount of customer feedback. In fact, CLEANNE Limescale Remover is also suitable to clean various kitchen appliances, including metal water boilers. Experience shows that this special plant-based formula slows down the reoccurrence of limescale and so it quickly becomes the number one favourite of housewives.

Test chrome surfaces before use and never spray directly onto the surface!
CLEANNE Limescale Remover is a powerful formula, therefore, it is necessary to make sure the product is suitable for the intended surface.

Instructions for use

CLEANNE Limescale Remover can be sprayed directly onto the surface and alternatively, it can be transferred onto the surface using a cotton cloth or microfiber cloth. The preferred method depends on how persistent the build-up is. Rinse well. Do not leave on surface.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Washing Liquid

Natural Cleanliness Even For Sensitive Skin

Prefer natural cleanliness? We have good news for you! CLEANNE'S Washing Liquid is now ready to hit the market! Kind to the skin but ruthless to dirt, this washing liquid is suitable for hand- as well as machine washing. Our formula does not contain fragrances. You can even pour it directly onto your clothes to help remove persistent stains. Please make sure to do a colour test before you wash sensitive materials. Thanks to our product's natural ingredients, you can even dispose of the dirty water in your garden!

Ideal for white as well as coloured clothes.

Instructions for use

Shake well before use. Depending on the load, pour 1 to 2 caps of formula into the detergent drawer. For handwashing, dissolve CLEANNE Washing Liquid in warm water and wash your clothes the way you normally do. Pour the formula directly onto your clothes to help remove persistent stains. Based on experience, this formula is ideal for all materials, however, please make sure to do a colour test if you wash sensitive materials.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Pool Cleaner

Chillaxing By The Pool Has Never Been So Relaxing!

As soon as summer kicks in, we hit the pool, the maintenance of which has never been so simple: CLEANNE Pool Cleaner combats even persistent dirt with ease! You can use it to clean the pool before it is filled with water, but it is also ideal to clean the edges when the pool is already in use. Our product contains only plant-based ingredients, therefore it will not irritate your skin or mucous membrane. In fact, you don't have to worry about it getting into the water! What's more, it even defeats mould, the biggest enemy of watery surfaces! CLEANNE Pool Cleaner removes fungi, including black mould, within 5-10 minutes and stops them from reoccurring on the treated surface. It is also effective against bacteria, such as staphylococcus and e-coli.

The formula does not harm the environment. Using CLEANNE Pool Cleaner, you can just sit back and relax, enjoying a cocktail (or two) in your crystal clean pool!

Instructions for use

Shake well before use. Spray CLEANNE Pool Cleaner directly onto the target area. Leave to work for 5-10 minutes to remove mould and moss. Scrub the surface clean. Repeat the process to remove persistent dirt.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Mould & Moss Remover

The Powerful Formula for The Fiercest of Household Enemies

We face various different kinds of stains and dirt in a household, the fiercest of which, without a doubt, is mould. CLEANNE Mould & Moss Remover is an effective solution against household fungi: it eliminates mould from the surface and even helps recover discoloured surface areas. The formula contains purely plant-based ingredients, and as such, it will not irritate your skin or mucous membrane. However, it will effectively remove mould in 5-10 minutes and will also prevent the reoccurrence of fungi. CLEANNE Mould & Moss Remover defeats bacteria, such as staphylococcus and e-coli, as well as fungi, such as black mould. Rinse or wipe the surface with hot water – if water does not damage the material. CLEANNE Mould & Moss Remover is also ideal for the cleaning of gravestones.

Instructions for use

Shake well before use. Spray CLEANNE Mould & Moss Remover directly onto the affected area. Leave to dry to remove mould. Wipe the surface to remove moss. Repeat the process to remove persistent stains.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CAR CARE PRODUCTS

CLEANNE Car Shampoo

Let's Hang Out in The Garden!

Cleaning a car is a favourite activity for various reasons...it is a good excuse to hang out with the girls or to pretend that only real men are capable of doing this. In the meantime, do not forget about what really matters: protect your eyes from the ray of sunlight reflecting from the body of your car using the sunglasses we have on offer!

Clean your car easily, naturally and completely using CLEANNE Car Shampoo and achieve that beautiful sparkling effect only brand new cars are supposed to have! Sorry, proud convertible owners, you only have half a car to enjoy this experience!

Clean your car joyfully with CLEANNE Car Shampoo and enjoy the spotless result without much effort!

You can now clean your car directly in your garden without second thought. Thanks to the special formula, you will not harm the environment.

Instructions for use

Mix 100 ml CLEANNE Car Shampoo with 5 litres of water. Double the amount of concentrate to combat persistent dirt. Clean your car the usual way and rinse with running water.

98,6% of CLEANNE Car Shampoo biodegrades. It does not harm the environment.

CLEANNE Car Upholstery Cleaner

It Feels Like a Brand New Car!

The car. Everyone loves it. Everyone loves it for different reasons. Some care about the horsepower, some keep this love and affection for Sundays and some just fall in love with the colour. One thing, however, is for sure: no matter what makes you crazy about your car, love it clean! Botherome stains can appear on any car seat, thanks to those fantastic food containers from grandma. Our 8th attempt to clean such a stain had prompted us to develop CLEANNE Car Upholstery Cleaner, which significantly reduces the week-long battle with car seat stains. CLEANNE Card Upholstery Cleaner combats even the most persistent stains, good bye dirt from hell, hello cleanliness!

CLEANNE Car Upholstery Cleaner helps you keep your car upholstery clean with no extra effort. It combats stains but remains friendly with the environment. A colour test prior to application is necessary.

Instructions for use

Shake well before use! Thoroughly wet the surface with warm water and spray CLEANNE Car Upholstery Cleaner onto the target area. Leave to dry. Repeat the process to remove persistent stains. Wipe the damp surface with a microfiber cloth to remove dirt.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

CLEANNE Windscreen Concentrate

Do The Dirty Work!

The most annoying stains on any windscreen normally appear at eye-level. Fact. If the same person changes seats, the stains will religiously follow them. Fact. Driving on the highway? All the bugs will travel along with you, again at eye-level. Another fact. It is, however, also a fact that we have a solution to clean super dirty windscreens in a perfectly natural way! In addition, you can now enjoy all this in an economic way: our concentrate makes 3 litres of formula, so you can enjoy chemical-free cleaning for a very long time! See things clearly even when you are driving!

CLEANNE Windscreen Concentrate leaves the surface free from dirt and residue, so that you can clearly see everything that matters even when you are driving! Also suitable for the cleaning of chrome surfaces as well as alloy wheels.

Instructions for use

Shake well before use! Pour into your car's windscreen cleaner container and add 2.5 litres of water. Koncentrátumunk az olajszennyeződésekkel szemben is hatékony.

This concentrate is also effective against oil residue.

CLEANNE Window & Mirror Cleaner

Goodbye Greasy Stains!

"A car's windows are especially dirty on the outside". We could not agree less, for we know what humidity, air conditioning, our children's fingerprints and the saliva of our four-legged friends are capable of. These glass surfaces are partially greasy, but overall heavily dirty and often out of reach. Nobody enjoys cleaning these areas repeatedly. CLEANNE Window & Mirror Cleaner dries without leaving spots behind and combats persistent stains with ease.

The regular use of CLEANNE Window & Mirror Cleaner slows down the reoccurrence of such stains (based on customer feedback).

Instructions for use

Spray CLEANNE Window & Mirror Cleaner onto the target area. Wipe clean using a cotton cloth. In order to remove persistent stains, wet the surface prior to application.

CLEANNE Window & Mirror Cleaner is alcohol- and fragrance-free, therefore it is ideal for use even in small rooms. It does not irritate the mucous membrane.

CLEANNE Bug Remover

Combating The Toughest Enemy

Bug splats on the windshield, bumper, bodywork? The ever so frustrating reward of a long journey. Their great strength lies in their number and the effect of the sun is not on our side, either..the nightmare ends, if you start using CLEANNE Bug Remover! Use it regularly and enjoy the cleanliness of your windshield for countless kilometres to come! CLEANNE Bug Remover removes bugs from any windshield quickly and effectively with no extra effort. This is how we imagine a carefree summer.

The environmentally-friendly, sparkling cleanliness is now available for drivers, too. Do not compromise! Choose the Cleanne range of car care products and the results will speak for themselves!

Instructions for use

Shake well before use! Wet the surface with water and spray CLEANNE Bug Remover onto the target area. Leave to work for a few minutes. Wipe clean with a warm wet cotton cloth. Repeat the process to remove persistent dirt.

This concentrate is also effective against oil residue.

CLEANNE Yacht Cleaner

Our Seas Deserve a Brighter Future!

Boats always get the best of it. Water, sunshine, a pleasant breeze...But let's think about it a little more...that prolonged enforced rest in the winter, constant humidity, the seagulls...we are proud to introduce the youngest member of the CLEANNE range of natural cleaning products, the Yacht Cleaner, which gracefully removes dirt from ships in an environmentally friendly manner. Say goodbye to persistent stains, be it metal, wood, glass or even painted surfaces! Once ready, grab a few friends and sail out!

Dilute CLEANNE Yacht Cleaner to clean the boat. To remove persistent dirt, do not dilute the formula

Instructions for use

Shake well before use! For everyday dirt, add 100 ml CLEANNE Yacht Cleaner to 5 litres of water. To remove persistent dirt, do not dilute the formula.

CLEANNE Yacht Cleaner does not harm natural waters. Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula.

CLEANNE Universal Buggy Cleaner

For The Greatest Little Ones!

Ever used a buggy before? You must then know how hard a task it is to keep it clean. Sank, chocolate, syrup, mud...and the list goes on. It is a real challenge to maintain a buggy's cleanliness. CLEANNE Universal Buggy Cleaner can be used on any part of a buggy: stains once thought to stay forever will disappear, once the formula has dried. How so? The CLEANNE formula naturally degrades dirt. Our formula does not contain harsh chemicals, only plant-based ingredients, therefore, it is absolutely safe to use around babies and children. You can now enjoy safe cleanliness with your little ones.

CLEANNE Universal Buggy Cleaner is ideal for use on every part of a buggy, be it textile, plastic or metal.

Instructions for use

Shake well before use! To remove persistent stains, wet the surface and spray CLEANNE Universal Buggy Cleaner onto the target area. The frame, as well as plastic areas can be wiped clean only after a few minutes. Leave to dry on textile areas. To remove persistent stains, use a microfiber cloth to wipe the area.

Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula.

CLEANNE Bike Cleaner

In The Name of The Environment

A bike fanatic will keep going regardless of the weather. Be it scorchio, wild thunder storms or frost, they will still attempt to discover the world on two wheels. Be it any kind of road, bikes will get dirty. For this reason, we have developed CLEANNE Bike Cleaner, a cleaning product that will leave any bike sparkling clean, using only natural ingredients. Replacing the tyres is hard. Keeping your bike clean with CLEANNE Bike Cleaner is easy peasy! Use it every day, and your bike will attract dirt less and less. Get on your bikes and enjoy a chemical-free micro-environment that is also perfectly clean!

CLEANNE Bike Cleaner can be used on every part of your bike. Say goodbye to dirty, greasy, oily stains!

Instructions for use

Shake well before use! To remove persistent dirt, wet the surface and spray CLEANNE Bike Cleaner onto the target area. Leave to work for a few minutes. Rinse with water.

This concentrate is also effective against oil residue. Accredited laboratory tests prove the bacteria and fungi defeating capabilities of the unique formula!

PET PRODUCTS

CLEANNE Stable Cleaner

Everyone Deserves Attention

Our pets deserve no less than humans. Harsh chemicals affect their health just the same way it affects ours. It is therefore of utmost importance to offer our pets a safe and clean environment. To tackle this, we have created CLEANNE Stable Cleaner, a product that is suitable primarily for the cleaning of the environment of animals living in a stable, including sleeping, drinking and eating areas. The regular use of CLEANNE Stable Cleaner significantly reduces strong smells, including the smell of ammonia (based on customer feedback).

Cleanne Stable Cleaner offers a broad range of application areas and so it can easily become a vital element of livestock farming. Ideal for the natural cleaning of stables.

Instructions for use

Shake well before use! To remove persistent dirt, slightly wet the surface and spray CLEANNE Stable Cleaner onto the target area. Litter, hay and straw can be treated without rinsing. Cleanne Stable Cleaner does not harm the health of animals. 1 litre of CLEANNE Stable Cleaner cleans an area of 9 m².

Premium cleaning product with plant-based ingredients. Environmentally-friendly and biodegradable.

CLEANNE Pet Litter Aid

Our Pets Deserve Only The Best!

Cats, dogs, guinea pigs or little birds in the house? You must have already heard the sentence 'you can smell that there are animals in this house'. One of the most important duties, feeding aside, is keeping our pets' sheds and sleeping mats clean. Strong chemicals harm our pets' health the same way they harm ours. On the other hand, hygiene is a must, which is why we have developed CLEANNE Pet Litter Aid. Our pet friendly cleaning product is suitable for the cleaning of pet sheds, terrariums, toys, dishes and various other pet accessories. Your pet deserves only the very best, make sure to offer them a safe environment to live in!

Suitable to keep our pets' environment clean and hygienic. The regular use of CLEANNE Pet Litter Aid reduces and can eliminate pet odour in the house. If you have a four-legged friend, use CLEANNE Universal Floor Cleaner to keep your floors spotless.

Instructions for use

Shake well before use! To remove persistent dirt, slightly wet the surface and spray CLEANNE Pet Litter Aid onto the target area. Litter, hay and straw can be treated without rinsing. CLEANNE Pet Litter Aid does not harm the health of animals. This product can be used on any surface that water does not harm (metal, wood, glass, plastic etc.)

Premium cleaning product with plant-based ingredients. Environmentally-friendly and biodegradable.

OFFICE PRODUCTS

CLEANNE Screen & Display Cleaner

Crystal Clean Work Environment

Prefer not to spend much time away from your mobile phone or laptop? Can't quite see what is happening on the screen because of those nasty fingerprints? We tend to forget about keeping our work equipment clean, even though we know for a fact that this will result in the appearance of uninvited guests. Not to mention the fact that it would please our eyes to look at a screen free from residue. CLEANNE Screen & Display Cleaner offers a wide range of application areas and is ideal for the spotless cleaning of various screens and displays. It combats persistent dirt, fingerprints, grease and dust with ease.

Surfaces treated with CLEANNE Screen & Display Cleaner accumulate dust slower than areas cleaned with conventional cleaning products (based on customer feedback).

Instructions for use

Shake well before use! Switch off your device and let it cool before use. To clean sensitive surfaces, spray CLEANNE Screen & Display Cleaner onto a microfiber cloth and wipe the area clean.

Premium cleaning product with plant-based ingredients. Environmentally-friendly and biodegradable.

CLEANNE Sticker Remover

Forget About Scratches

Folders, drawers, various stock items...they are given a new inventory number all the time. A lovely super hero sticker looks excellent on a laptop, until we find ourselves in a business meeting surrounded by professionals. CLEANNE Sticker Remover solves one of the most bothering problems: it removes stickers without scratching, leaving the surface free from glue residue. Use CLEANNE Sticker Remover to get rid of paper and plastic stickers, tape and glue residue. Cleanne Sticker Remover dissolves the glue used on stickers and removes tape and stickers without damaging the surface.

CLEANNE Sticker Remover removes even old and persistent sticker stains without scratching (based on customer feedback). Can be used on bike frames as well as helmets.

Instructions for use

Shake well before use! In order to remove old stickers, wet the surface and spray CLEANNE Sticker Remover directly onto the target area. Leave to work for 5-10 minutes. Check if the glue has been dissolved. Repeat the process if necessary.

Premium cleaning product with plant-based ingredients. Environmentally-friendly and biodegradable.

INDUSTRIAL PRODUCT

The Oil Muncher

Bringing Out The Big Guns!

Oil stains. Not only do they look bad, but they also pose a serious health-related problem. Thanks to its unique features, CLEANNE Oil Muncher helps degrade even very old oil stains stuck on various surfaces including concrete, marble, stone and tiles.

Pour Cleanne Oil Muncher onto the affected area and leave to work for at least 4 hours. If possible, remove the remaining oil from the surface using an industrial vacuum cleaner and store it in a separate container. Finally, clean the area with clean water. If needed, repeat the process, but the other way around: wet the surface with water and then pour CLEANNE Oil Muncher onto the target area.

Product features

96% of CLEANNE Oil Muncher biodegrades. Environmentally friendly product. Non-hazardous, according to the CLP Regulation. Fragrance-free. Does not irritate the skin or the mucous membrane. The use of protective equipment is not necessary.

Areas of Use

Marble, concrete, stone, tiles and any surface that water does not harm. For indoor, as well as outdoor use.

Instructions for Use
